- 8 Standard Shell Colors
- *Unlimited Color Matching

* Minimum quantity of 500 units may be required for special colors.

Millennium™ Combo w/bookbasket Specifications

Frame: 1-1/8" diameter, 16-gauge tubing legs swaged to 7/8" . 3/4", 16-gauge side brace mig welded to both front and rear leg support, and top support. 1-1/8", 16-gauge top support forms a complete "U" underneath the desktop for full support and unrestricted entry. The rear legs and top support are welded to two seat brackets of 13-gauge die-formed steel, integrally tying all tube parts for maximum structural integrity. Frame is chrome plated after all welding is complete.

Bookbasket: 8-1/2" x 12" x 11-1/4" made of 1/4" steel rod and welded to the frame at four points.

Glides: 1-1/4" diameter, long-ferrule, case-hardened steel. Nickel plated with steel ball joint swivel and nylon base. Rubber cushioned, super silent, for use on carpet or vinyl floors.

Shell: One-piece shell is injection molded from special high impact, blush resistant polypropylene plastic with and antistat additive. Textured surface is etched to provide a non-slip surface while assisting in maintaining like-new appearance. Flanged opening in the back adds strength and ventilation. The underside of the shell is molded with an advanced rib pattern transferring weight directly to the frame. The shell is attached to frame with four concealed machine rivets. Shell sizes: 2918 15-3/4" wide x 15-1/2" deep 2916 13-1/2" wide x 13-1/2" deep 2914 13-1/2" wide x 13-1/2" deep

Shell Colors: Available in standard Navy, Beige, Burgundy, Teal, Grey, Black, Primary Blue, and Primary Red.

Top: 5/8", 62 pound fibersin desktop with high-pressure laminate writing surface and backing sheet. Edges are shaped and finished with clear sealer. Top is attached using #10 - 1-7/16" screws into seven uniformly drilled holes.

Top size: 18" deep x 24" wide

Top Colors: Available in standard Light Oak, Walnut, or Grey Nebula.

Optional Top: Solid Melamine 18" x 24" tops available in Beige, Grey, Wood Grain Oak and Wood Grain Walnut.

Warranty:

- Limited Lifetime frame warranty
- Five year shell warranty
- Two year finish/wearing parts warranty

Samples: Compliance with the specifications and verification of required quality levels may be determined by requesting samples.

Models:

■ 2918•18" ■ 2916•16" ■ 2914•14"

Blush-Resistant Polypropylene

Process-Engineered Poly is far more durable than what the competition offers. Higher quality materials combined with the most modern process technology yield a better-looking, high-impact product that will out-perform all others.

D E S K F E A T U R E S
